

Linea Neon Side Bendable 10W

LINEAR LED

Product code ML62

mondolux.com.au

MONDOLUX™

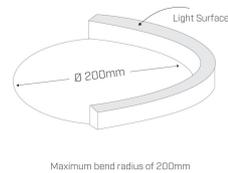

Built to maintain light uniformity

- High performance, consistent brightness
- Fully encapsulated providing IP67 protection
- Variety of Installation accessories
- Customised lengths available in multiples of 50mm
- Available CCT range: 2700K-6500K, RGBW
- 24V DC Extra Low Voltage

Product info

System Lumen Range	320lm
System Power	10W
System Efficacy Range	32lm/W
Input Voltage	24V DC
Installation Method	Surface Mounted
IP Rating	IP67
Dimming Type	Driver Based Dimmability

Photometric info

Colour Rendering Index (CRI)	CRI90
Colour Temperature (CCT)	3000K, 4000K
Beam Angle	120°

Compliance and Features

CE RoHS
